2026 Memberships

If you are reading this and haven't paid your 2026 dues, then this is probably the last newsletter you will receive. Anyone who has not paid their dues by the end of March will be dropped from the membership.

Ideas

Got an idea for a meal, maybe an event or activity? We are finally getting around to reviewing the survey that was sent out last year, but we are always looking for new ideas from the membership. Drop by the club and fill out the available questionnaire.

Looking for Help

Looking for members willing to volunteer a bit of their time to help wait tables during our busy meals. It's a great way to support the club, meet fellow members, and keep things running smoothly. No experience needed — just a positive attitude and a willingness to pitch in. If you can help, Contact Mike for more information.
